ROCKLAND COUNTY INTERGROUP

Public Information – Report attached

Share A Day – No report

Volunteerism Committee – Promises Group was visited, there were 20 minutes of questions answered. Wesley Hills group was also visited. There is some concern that we should expand the Volunteerism Committee. Chair requested a synopsis of what each chair does in the form a flyer to have at each group. Six more groups are interested in having us visit.

By Law Review Committee – Held a meeting tonight with 3 attendees. Attempting to clear up wording that is vague, will reach out to SENY for some advice for compliance to traditions. They will attempt to amend one article at a time and present at our monthly meetings. There are some amendments in place already

Old Business

- None

New Business

- There was a suggestion that if there was a need to have more participation those who are already involved could bring their sponsees
- PI requested \$80.00 motion passed
- RCI reps should see Bill for their synopsis on what their functions are for the flyers.
- RCI should look into providing Bridging the Gap to rehabs. Jim will look into that. We currently perform this for corrections only.
