Old Business

Mike, the Intergroup liaison for General Service suggested that General Service and Intergroup might work together more efficiently if there were a General Service liaison position within Intergroup. The position was put out for discussion in May to potentially be voted on in June. Tabled until July.

Bridging the Gap discussion tabled. Steve will follow up with getting more information.

John DCMC for Rockland County, wanted to gather peoples' voice regarding Rockland County General Service working hand in hand with Rockland County Intergroup. Possibly jointly visiting county groups for representation and explaining the functions of General Service and Intergroup. Group reps appeared to be interested in working cooperatively with General Service and officers and possibly co-hosting a workshop. John will return for further discussion.
