

ROCKLAND COUNTY GENERAL SERVICE COMMITTEE OF A.A.

JUNE 2022- Minutes 6/15/22

District 1000- SENY AREA 49

No Quorum

6/15/2022

To All:

For those of you who were at the last district meeting on June 15, 2022 as dated above will remember that we never achieved a Quorum. Therefore, the meeting itself was merely a discussion of what we could talk about regarding the district. I was asked by the E-Board to forward a summation of that brief meeting in lieu of actual minutes for those who may wish to recall what transpired.

What follows is not anything "official" but rather an entirely off the record summation of what transpired at the meeting. First, let me say that this was the first time that we met under the New By-laws as approved by the district and failed to achieve a quorum as required, so we are in new territory.

We opened with our usual invocation and proceeded to our usual discussion of the Traditions and Concepts for the month of June with their attendant questions.

We jumped our Agenda on minutes approval for May, current money issues and pending business and went to group reports. There was a brief discussion about some of the things that we were and are working on to keep those in attendance in the loop but as stated nothing "official" transpired. There was the briefest mention of the Joy of Service workshop and the event that we are calling Sober-Jam? But all the details were a reiteration from previous meetings provided to bring those who were not in attendance up to date.

The meeting closed with the Responsibility Statement.

Respectfully submitted-

Kevin F.

RCGSC Secretary-District 1000

SENY AREA 49
